Contact: Mayor Thom Arthur, 443.2221

CITY NOT ACCEPTING REFRIGERATORS, AIR CONDITIONERS, FREEZERS, OR DEHUMIDIFIERS DURING HEAVY TRASH COLLECTION

Brazil, Indiana With the spring season upon us, citizens are concentrating on cleaning out their closets and garages. As a country we celebrate and honor mother earth during this time with earth day.

To comply with Environmental Protection Agency and Indiana Department of Environmental Management guidelines, the City of Brazil will not accept refrigerators, air conditioners, freezers, dehumidifiers, or any appliance containing Freon during heavy trash collection in May. EPA and IDEM require that Freon be removed from these appliances.

Residents wishing to dispose of these items may do so during the Clay-Owen-Vigo Solid Waste Management District White Good Collection Event. The date of the event is yet to be determine, but is being planned for the near future. For more information on the COVSWMD White Good Collection Event, citizens may contact the office at 443.0168
